

What are the special tubing lengths cutting charges - FAQ

If you would like to purchase a length of ARE-Applied Research™ brand polymeric (PEEK or Teflon like materials) or stainless-steel tubing that is not one of our standard lengths (*1 m, 3 m 5 m, 10 m or 25 m*) there is a small "cutting charge" per each tubing cut for lengths that are less than 3 meters.

Tubing length < 3 m \$2.60 / cut.

Note: For special tubing lengths over 3 meter and the standard 1 meter cut there is no cutting charge.
